BRIAN JONES

Thank you for the countless hours, dedication, and passion you gave to MAVA over the years. Your leadership went far beyond the court — you inspired, encouraged, and helped shape so many athletes and people along the way all while making everyone laugh and have fun.

The lessons you taught about teamwork, hard work, discipline, and believing in yourself will stay with MAVA long after you leave. Your impact will always be remembered by every player, parent, and fan lucky enough to know you. You are the finest that MAVA has seen. We will miss you immensely.

ENJOY RETIREMENT
